Mr. Ron Solimon
Pueblo of Laguna
P.O. Box 194
Laguna, New Mexico 87026

Dear Mr. Solimon,

Enclosed please find five copies of our final report on the monitoring program and Jackpile Mine reclamation assessment. There are a few clarifications and editorial changes, but it remains substantially unchanged.

Please get in touch with me anytime if you require elaboration or to discuss any future work. As always, it has been a pleasure doing this work for the Tribe.

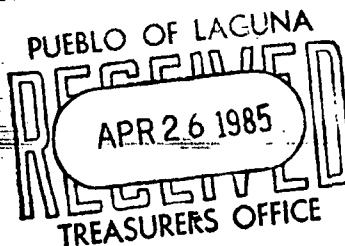

Sincerely yours,

[Signature]
John J. Ward
Project Chief
